Career Summary

Sustainability specialist with 4+ years of experience driving environmental performance and decarbonization in South Asia's textile and manufacturing sectors. Successfully led implementation of ESG-compliant strategies and developed digital solutions like the RTIS platform. Certified Energy Manager (SREDA) and recognized by UNFCCC as an expert on the LDC Roster for National Adaptation Plans (NAPs). Proven ability to lead cross-functional teams, design impactful training programs, and deliver measurable environmental benefits in collaboration with global brands including BESTSELLER and Primark. Experienced with net-zero roadmaps, Scope 1-3 emissions accounting, and circular economy integration.

Core Competencies

Technical & Sectoral Expertise:

- Energy Management and Water Resource Efficiency
- Resource Data Tracking & KPI Analysis
- Chemical and Environmental Management
- ETP Operation and Assessment
- ESG Compliance, Health & Safety, Waste to Energy
- Sustainability Program Design, Monitoring, and Evaluation

Leadership & Soft Skills:

- Team Leadership, Project Management, Technical Training
- Communication, Negotiation, Cross-Cultural Communication
- Capacity Building, Workshop Facilitation
- Strategic Planning, Client Relations, Problem Solving

Software & Tools:

- Office 365, G-Suite, Canva, Adobe Suite
- RTIS, eSankey, Data Visualization
- Python, MATLAB, C++, Digital Marketing

Professional Certifications

- Certified Energy Manager – SREDA, 2023
- LDC Roster of Experts on NAPs – UNFCCC, 2025
- Supply Chain Management – Rutgers University (Coursera), 2020
- Successful Negotiation – University of Michigan (Coursera), 2020
- Impact of Climate Change and Heat Stress on Occupational Health and Safety – ILO, 2024

Education

- M.Sc. in Chemical Engineering, BUET, Dhaka – 2024
- B.Sc. in Chemical Engineering & Polymer Science, SUST, Sylhet – 2021
- B.Sc. Second Major in Computer Science & Engineering, SUST, Sylhet – 2019

Training

- Process Safety Engineering – SUST, 2017
- Industrial Process & Control – TICI, 2019
- Energy Manager Certification – SREDA, 2023
- Boiler Operation & Safety – DCE, BUET, 2024
- Sustainable Chemicals & Environmental Management – ERI, 2024
- Climate Action Training – UN Fashion Charter, 2024

Professional Experience

Head of Client Relations and Training

Intelligent Resources International (IRI) Ltd., Dhaka — (Jan 2024 – Present)

- Led strategic planning and branding of sustainability services.
- Acted as liaison among stakeholders.
- Developed RTIS certification and training programs.
- Conducted 20+ stakeholder sessions, aligning targets and execution plans.
- Launched 3 new services, boosting user base by 25%.

Manager – Technical Integration & Training

Engineering Resources International (ERI) Ltd., Dhaka — (Jul 2023 – Dec 2023)

- Advised on RTIS optimization, training, and global alignment.
- Aligned global sustainability strategy with teams, factories, and partners.
- Delivered technical training and facilitated workshops.
- Onboarded 30+ factories, trained 200+ professionals, aligning with UNFCCC targets across South Asia.
- Launched 3 programs to boost supply chain sustainability.

RTIS Integration Lead

Engineering Resources International (ERI) Ltd., Dhaka — (Jul 2022 – Jun 2023)

- Built predictive models; reduced waste and improved operational KPIs.
- Supported RTIS backend and training.
- Ensured data integration across 60+ factories for real-time monitoring.

Engineer – Sustainable Development

Engineering Resources International (ERI) Ltd., Dhaka — (May 2021 – Jun 2022)

- Conducted energy and water audits, renewable assessments.
- Developed EMPs and led factory assessments.
- Completed 80+ energy audits, 40+ chemical assessments, and 15+ ETP evaluations.
- Supported 40+ factories under BESTSELLER's program, achieving 8% energy, 11% GHG, and 12% water savings.
